Connecting Classrooms to Careers and Learning to Life

This web-based portal seamlessly connects employers, educators, and students to coordinate experiential and work-based learning opportunities that allow the application of coursework in real world settings. Some of the features and experiences include classroom guest speakers, informational interviews, project based learning, field trips, job shadows, document library for common forms and templates, guest instructor lessons, career fair (and other event) management tools, built-in communication functionality, student matching and approval capabilities, as well as student and employer feedback metrics.
